

# chuncha pack

## CCP Carton Packing Machine

### [specifications]

Type	CCP automatic carton packing machine
Machine size	3500x2070x2200
Productive capacity	7 cartons/min
Transport section	According to your workshop floor plan
Safety device	Install safety door and safety photoelectric, device automatically shut down after maintenance door open
Voltage power	<=9.6kw
Machine weight	1.9 ton
Total power	9.7kw
PLC	SIEMENS(German) FOTEK(Taiwan)
Electric motor	German SEW/Taiwan LI-MING
Air control element	Japan SMC/Air TAC
HMI	German SIEMENS
Converter	Schneider/OMRON
Electric control element	German P+F/OMRON
Button	Schneider/TEND
